✔ STAY SAFE ONLINE – CYBER SAFETY CHECKLIST

➔ Never share your OTP, PIN, or passwords with anyone.

➔ Avoid clicking on unknown or suspicious links.

➔ Always check the URL before entering banking details.

➔ Use official apps like bank apps or trusted UPI apps only.

➔ Enable two-factor authentication (2FA) for extra security.

➔ Do not accept unknown “collect requests” on UPI apps.

➔ Keep your phone and apps updated regularly.

➔ Install antivirus/security apps on your device.

➔ Avoid using public Wi-Fi for financial transactions.

➔ Immediately block your account if suspicious activity is noticed.
